Make-up work	Mr. Weininger -114	M-F @ 7:25-8:00a.m.	mike.weininger@knoxschools.org

Important points regarding tutoring and these activities:

1. Students must bring a signed note from a parent/guardian each time they stay for tutoring. This lets the teacher know they have permission and that a parent will be picking up after the event. This should be pre-arranged. Students may not call home the day of to get permission.
2. Transportation is the parents responsibility AND students must be picked up by 4:45 p.m. in the back parking lot. Teachers will walk students to the back parking lot.
3. Students must adhere to KCS and BMS code of conduct while participating.
4. Students should come prepared for the activity. This means they have paper, pencil, schoolwork, and/or class notes. Tutoring is designed to assist and support students having difficulty with current skills.
