

2nd Annual CBMS AVID College and Career Fair

The 2nd annual CBMS AVID College and Career fair will be held in the afternoon on **Friday December, 5, 2014**. Students will have an opportunity to meet with professionals from various careers, as well as visit college booths presented by 7th and 8th grade AVID students.

We would like for the career fair to be anchored by our own community and parent base in the Cedar Bluff area. With the variety of business and career opportunities represented by CBMS parents, our students would greatly benefit from their expertise and willingness to share information. If a CBMS parent or community member would like to participate in the College and Career Fair, please call Aimee Bridges at 865-539-7899 or e-mail aimee.bridges@knoxschools.org
