

ESCAPE

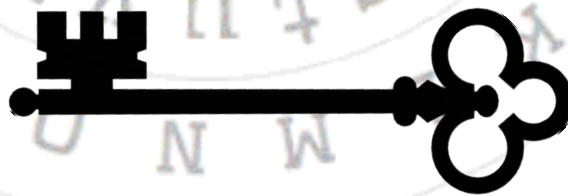

Ritta

A Dr. Seuss Dilemma

While visiting Ritta for Family Math Night, the power goes out! The back-up generator has kicked in, but there are only 2 hours of power built up. The principals are frantically trying to get into the breaker box and switch the power back on, but Thing 1 and Thing 2 have changed the password.

You and your family will need to work together to crack codes, find hidden objects, solve puzzles, and open locks to break out. Race the clock and uncover the password that will free you from Ritta.

Can you **ESCAPE Ritta,
or will you be spending the weekend locked in the school?**

When: Thursday, March 2

Where: Ritta Elementary

Time: 6:00-8:00pm
