

SUMMER 2019

ELEMENTARY SCIENCE PD

SCIENCE STANDARDS TRAINING

**PreK - 1st grades, 8:00- 11:30, May 29 2019
at Hardin Valley Academy**

This day will be centered around our youngest scientists. Teachers will leave with lesson plans and be ready to implement in August.

**2nd - 5th grades, 8:00- 2:30, May 30 2019 at Hardin Valley
Academy**

Join us as we welcome the celebrated author, Page Keeley, to work with our teachers on student thinking using the Probes from our science textbooks. This will be a day filled with science and engineering strategies you can take back to your classroom.

SCIENCE & ENGINEERING TRAINING

**Kindergarten - 2nd grades, 8:30- 3:30, July 11 2019
3rd - 5th grades, 8:30- 3:30, July 11 2019 at Sarah Simpson**

Teachers will revisit topics addressed in the May Standards Training. Join us for a half day spent on engineering and a half day spent on science training.
