

# Hallmark Program – Boys and Girls Club of the TN Valley Pipeline Program

The PipeLine Program is a partnership between the Boys and Girls Club of the TN Valley and Knox County Schools. Six Knox County High Schools participate in this program.

Current schools involved are:

- Austin-East Magnet High School
- Central High School
- Fulton High School
- Karns High School
- Powell High School
- West High School

The Pipeline Program is designed to increase the number of youth from disadvantaged backgrounds who complete high school and enroll in post-secondary programs related to the healthcare industry.

Opportunities available to students through this program include:

- Week long STEM Camp at Lincoln Memorial University where that take part in collegiate level STEM courses and industry immersion including Veterinary medicine and healthcare

This program is funded by the U.S. Department of Health and Human Services for National Workforce Diversity Pipeline Program.
