

Welcome to the house of Fortem

Congratulations! Your child has been selected to be in the House of Fortem! Inskip's school mascot is the lion, so when deciding on the names of our five houses, we wanted to look at the most outstanding qualities of lions.

Fortem is the Latin word for Brave. Lions are one of the bravest animals around. Similarly, it is our goal that our students will learn characteristics of being brave. Being brave means saying NO when those around you want you to say yes. Brave means taking a leap of faith even when you're not sure how things will turn out. Brave is shouting out loud and brave is also staying quiet. Brave is when you stay true to your heart. *Brave* implies WISDOM!

The house system is a way to build camaraderie, a sense of belonging, and a shared commitment. Students and staff will work as a team to EARN POINTS for their HOUSE, based on exceptional manners, following the ROAR expectations, and working towards academic excellence.

The House System will allow students to:

1. Have additional leadership opportunities.
2. Work with students outside of their classroom.
3. Think of others before themselves.
4. Realize that being a part of a team is just as important as winning.
5. Participate in healthy competition with peers and staff.
