

Welcome to the house of Patientia

Congratulations! Your child has been selected to be in the House of Patientia! Inskip's school mascot is the lion, so when deciding on the names of our five houses, we wanted to look at the most outstanding qualities of lions.

Patientia is the Latin word for Patience. Lions are one of the most patient animals around. Similarly, it is our goal that our students will learn characteristics of being patient. Patience, a challenge for most of us, is the ability to tolerate waiting, delay, or frustration without becoming agitated or upset. It is being able to control your emotions or impulses and proceed calmly when faced with difficult or frustrating situations. Anything worthwhile and of importance cannot take place right away. It takes time, dedication and effort to achieve; so even in this day and age, patience is a virtue.

The house system is a way to build camaraderie, a sense of belonging, and a shared commitment. Students and staff will work as a team to EARN POINTS for their HOUSE, based on exceptional manners, following the ROAR expectations, and working towards academic excellence.

The House System will allow students to:

1. Have additional leadership opportunities.
2. Work with students outside of their classroom.
3. Think of others before themselves.
4. Realize that being a part of a team is just as important as winning.
5. Participate in healthy competition with peers and staff.

Patientia's House
color is Emerald
(Green).

Patience is one of
the characteristics
of a lion.

5 Houses = 1 Family
