## Grading Scale

Grade	Percentage Range
A	93 - 100
B	85 - 92
C	75 - 84
D	70 - 74
F	0 - 69

- Weighting for Advanced Placement includes the addition of 5 percentage points to a student's semester average if the student takes the AP Exam that is connected to that course.
- Weighting for Honors Courses includes the addition of 3 percentage points to grades used to calculate the semester average.
- Assigning additional quality points above 4.0 for honors courses, AP courses is not allowed for the purpose of determining eligibility for the lottery scholarships.
- Grades will be published on Aspen within 5 days of KCS grading period dates.

**Note:** Students are responsible for ordering AP College Board tests through the school Counseling Office. Payment must accompany the order(s). AP exams are administered in May.

## Schedule Changes

During the spring semester, students complete a schedule request form choosing options that will best suit their academic needs. Students list alternate course selections in the event their "first" choice is unavailable. A master class schedule is developed using this information making every effort possible to accommodate all requests. Students receive a draft class schedule during the summer to review and are given several weeks to request a schedule change if necessary. Our school counselors make every effort to accommodate these requests; however, limits in class sizes and course availability influence what solution is offered. Once the semester has begun, schedule changes will be considered only for:

- Level of difficulty (College Prep, Honors or AP)
- Repeating a course with a final of D or F
- Graduation requirements

## Homework Policy

Homework shall be assigned to reinforce and strengthen students' academic abilities. It shall be designed as a focused learning experience to meet a learning goal. Therefore, it is crucial homework be completed in a timely manner in order to be of instructional benefit. Homework turned in complete, according to expectations, and on time will be eligible for full credit. Late homework will receive credit at teacher's discretion.

Students who miss classwork and/or homework due to an excused absence, the following rules apply:

1. You have 3 days including the day you return to school to request make up work.
2. If you fail to request makeup work within three days of return, you may lose credit for missed work.
3. Work must be turned in within ten days of receiving the assignment (or as directed by the teacher)
4. Makeup work should be completed before or after a regular school day, not during class time.

If a student is absent for at least three days, a parent/guardian may call the counseling secretary to request makeup work. The counseling office and teachers must have **24** hours to gather necessary assignments.

## School and Classroom Fees

All student fees are approved by the Knox County Board of Education. There is a general school fee (paid in the fall semester only) and classroom fees associated with various course offerings. If payment of a fee produces a family financial hardship, parents/guardians should contact the book keeper for assistance with the fee waiver process. Extra credit, grades, or other incentives cannot be given for paying fees. Checks written for fees should be made out to Karns High School.

For more information see High School Fees List 2020-21 and Knox County Policy: Student Fees / Fines (J-560)

## End of Course Tests

Examination dates for the entire school year are published well in advance so that families may plan accordingly to avoid conflicts on examination testing dates. Per KCS Policy, our staff will not allow students to take EOC exams earlier than scheduled.

EOC examinations will be given in English I, English II, Algebra I, Geometry, Algebra II, US History and Biology. The results of these tests will be calculated as 10% of the final grade. KCS final exam results will also be calculated as 10% of the final grade. Students will not be required to pass any one examination, but instead must achieve a passing score for the final cumulative grade.

## Senior Privilege

Seniors who have no more than two absences per class and a minimum of a “80” average may opt out of the final exam. (This exam cannot be a state, IB, or AP exam). The definition/determination of “major test” is left to the discretion of the teacher. Include exceptions such as school field trips, all state, school related activities. This applies to both semesters.

## Graduation Requirements

A diploma shall be awarded to students who have earned the prescribed 28 credits and have a satisfactory record of attendance and discipline.

# Grade Reporting

All class grades are cumulative, representing all class work from beginning of the course to the date of the report. Each successive report is not the average of previous grade reports; rather, it represents the compiled scores of all daily lessons, homework, projects, quizzes, examinations and other classroom assignments up to the grading period. For more information, see the KCS district calendar.

## Pre-AP Courses

Karns High is approved by The College Board as an official Pre-AP school. Pre-AP is designed to offer high quality, rigorous instruction to all students in preparation for future Advanced Placement courses. Pre-AP strategies and curriculum are embedded into all English I, Algebra I, English II, Biology, and World History/Geography courses. Students and parents will receive detailed information about Pre-AP as they participate in the courses. Pre-AP is not intended to replace Tennessee State Standard. Instead, they work in tandem to provide our students with a unique and high quality educational experience.

## Attendance Procedures

1. The “School Day” begins the moment a student enters onto KHS property.
2. Once students enter onto school property, they cannot leave the area without approval from the school office.
3. Students arriving after 8:45 or leaving early must sign in/out through the front office.
4. **All parent notes and medical excuses for absence or early dismissal will be placed in the labeled box on the wall outside of the front office.**
5. Students who arrive to class more than 15-minutes late or leave more than 15-minutes early will be counted absent from that class.
6. Students who become ill during the school day must report to the school nurse. Failure to do so will result in an unexcused class absence.

For more information, see Knox County Policy: Attendance (J-120)

## Early Dismissal Policy

Leaving a school day early means loss of valuable academic time. When possible, we encourage students, and their parents/guardians, to schedule appointments after school hours to maximize learning opportunities. If early dismissal is unavoidable, the following rules apply:

1. The student must deliver a written request to the front office prior to 8:30 am. No Exceptions!
2. The request must contain the following information:
  - a. The student’s full name
  - b. Student ID# and grade level
  - c. Reason for early dismissal
  - d. Requested time of departure
  - e. Phone number of parent/guardian to verify request
  - f. Signature of Parent/Guardian
3. **Only written requests will be honored. Email, Fax, or Phone requests will not be accepted.**
4. **ALL REQUESTS WILL BE VERIFIED.**
5. Only the parent/guardian, or an individual designated by the parent/guardian in writing and on file with the office, will be allowed to check-out a student. Check-out requires a valid photo ID.
6. Lunch is not a valid reason for early dismissal.
7. Students leaving class/campus, without administration approval, are subject to disciplinary action.
8. Parents entering the building to check students out must report directly to the main office.

## **Attendance Policies**

The Board recognizes that good attendance at school is basic to student learning. Attendance is a key factor in student achievement; therefore, students are expected to be present each day that school is in session. Parents have both a legal obligation and a moral responsibility to see that children are present every day that school is in session.

Excuses for absences must be made in writing to the principal or administrative designee by a parent or guardian and should be submitted within five (5) days of the student's return to school.

In order to be counted present on any and all accounting attendance records, students in grades K-12 shall attend school for a time period of three (3) hours and thirty (30) minutes per school day. Students who attend less than three (3) hours and thirty (30) minutes per school day shall be recorded and reported as absent on any and all attendance records.

Acceptable (excusable) absences:

1. Personal illness, injury and hospitalization.
2. Illness in the family temporarily requiring help from the child.
3. Death in the immediate family.
4. Recognized religious holidays regularly observed by persons of the student's faith.
5. Verifiable family emergency.
6. Court appearances for summons, subpoena or court order.
7. For students with a parent or guardian who is deployed as member of the United States Armed Forces the following excusable absences shall apply provided appropriate documentation of the service member's deployment is furnished: (1) An excused absence for one (1) day when the member is deployed; (2) An excused absence for one (1) day when the service member returns from deployment; and (3) Excused absences for up to ten (10) days for visitation when the member is granted rest and recuperation leave and is stationed out of the country.
8. Students who are pregnant are excused from school for hospitalization and doctor's appointments when a physician's statement is provided. If a student is participating in a homebound program due to pregnancy, the homebound teacher will maintain attendance documentation.
9. Juniors and seniors are allowed two (2) days per year for college visits. These will be counted as excused absences. Visits must be arranged through the school counseling office.
10. Students participating in school-sponsored activities whether on or off-campus shall not be counted absent. In order to qualify as "school sponsored," the activity must be school-planned, school-directed, and teacher-supervised.
11. Extenuating circumstances determined on a case-by-case basis.

Missing school to obtain a driver's permit or license will not be an excused absence.

Parents or guardians shall be notified each time a student has five (5) days (aggregate) of unexcused absences and that attendance at school is required. Additional notices shall be sent after each successive accumulation of five (5) unexcused absences.

Upon or before five (5) days of unexcused absences, the principal or designee shall notify the director of schools or designee and initiate meaningful communications with the student and their parent/guardian. The school shall attempt to determine the underlying cause(s) of the unexcused absences. When appropriate, a plan to improve school attendance should be initiated for the student.

For more information, see Knox County Policy: Attendance (J-120)

## Tardy Policy

A "class tardy" is defined as being **less than 15 minutes late to 1st block OR less than 5 minutes late to 2nd, 3rd, or 4th block**. If a student is not physically inside their assigned classroom when the tardy bell rings, they are tardy. A two-minute warning bell is provided prior to each tardy bell which signifies the beginning of the next class period.

If you are tardy to 1st block, follow the procedures listed below.

**1. From 8:30-8:45, students will report to class as tardy. Teachers will follow the "class tardy" discipline policy below.**

**2. After 8:45, students must report to the Front Office to sign in tardy to school.**

Tardy #	Consequences		
1st class tardy	Warning by teacher	Teacher contacts parent/guardian	
2nd class tardy	Warning by teacher	Teacher contacts parent/guardian	
3rd class tardy	Teacher reminds the student the next tardy will result in an office referral.	Teacher contacts parent/guardian	Absence towards student incentives is recorded by the teacher.
4th class tardy	Referral to office	Tardies become cumulative across all classes, both semesters.	Silent lunch detention
5th class tardy	Referral to office	Tardies become cumulative across all classes, both semesters.	3 days of silent lunch detention
6th class tardy	Referral to office	Tardies become cumulative across all classes, both semesters.	1 block of RLC with restorative conference Absence towards student incentives is recorded by the teacher.
7th class tardy	Referral to office	Tardies become cumulative across all classes, both semesters.	1 day of RLC
8th class tardy	Referral to office	Tardies become cumulative across all classes, both semesters.	3 days of RLC
9th class tardy	Referral to office. Admin reminds student that the next class tardy would result in a disciplinary hearing.	Tardies become cumulative across all classes, both semesters.	1 day OSS Absence towards student incentives is recorded by the teacher.
10+ class tardies	Referral to office	Disciplinary hearing held with parent/guardian	Consequences might include: OSS, alternative scheduling, or alternative placement.

A "school tardy" is defined as arriving at school between 8:45am and 12:00pm. Excused tardies are limited to medical excuses with documentation and court appearances with documentation. All other tardies are considered unexcused. **ALL unexcused "school tardies" will be given silent lunch. The attendance secretary will record the late arrival/tardies to school in the database. Parents are notified via the email on file when students arrive at school tardy.**

## Parent/Guardian Involvement

Parent/Guardian involvement can make a huge difference in the success of a student. Each parent/guardian and student is given a password to monitor grades online. Teachers make every effort to update grades frequently so students and parents can see grades at any time. If you have difficulty logging onto your family account, contact your child's counselor. Your involvement is essential to the success of Karns High School. We encourage you to join the PTSA, become a working member of a booster club and/or serve as a volunteer.

For more information see Knox County Policy: Family and Community Engagement (I-270)

## Extracurricular Activities

In order to attend and participate in extracurricular activities, students must meet the following guidelines:

1. A student can have no more than 2 days of OSS.
2. A student must be on track to graduate.
3. A student can have no more than 10, unexcused absences.
4. A student can have no more than 5 unexcused tardies to school per semester.

## TSSAA / Club / Sport / Eligibility

The Tennessee Secondary Schools Athletic Association sets standards for athletic eligibility for student athletes. The following sports are TSSAA sanctioned: Football, Girls' Volleyball, Cross Country, Golf, Tennis, Girls' Soccer, Boys' Soccer, Basketball, Wrestling, Baseball, Girls' Softball, Track and Field. To maintain eligibility, student athletes must earn a minimum of six (6) credits per academic year. Additional eligibility rules apply. Sponsor / Coach / Administration will determine student participation.

It is required that no student be permitted to participate in practice sessions or in athletic contests until there is on file with the principal a pre-participation medical evaluation form signed by a doctor of medicine, osteopathic physician, physician assistant, or certified nurse practitioner stating that the student has passed a physical examination, not prior to April 15, and that in their opinion the student is physically fit to participate in interscholastic athletics. Students must be present at least a half day to be considered present and eligible to participate in TSSAA or club sport (half days are considered 8:30 – 12:00 or 12:00 – 3:30 or a cumulative time of 3.5 hours present during the school day). Students' academic progress and behavior will also be monitored and will affect participation.

For more information see: TSSAA Handbook, and TSSAA Physical Examination Form.

## Field Trip Policy

Field trips must be directly related to curriculum; school-sponsored activities, sanctioned school clubs, or graded performance requirements such as band and chorus. Participating in field trips is a privilege a student must earn.

Students must have a permission form, signed by their parent/guardian, on file with the supervising teacher.

**Participation may be subject to denial for poor academic performance, inappropriate behavior, or excessive absences.**

## Prom Guidelines

In order to attend prom, students must meet the following guidelines:

1. A student can have no more than 2 days of OSS.
2. A student must be on track to graduate.
3. A student can have no more than 10 unexcused absences for the year.
4. A student can have no more than 5 unexcused tardies to school per semester.
5. Prom dates must be under the age of 21 to attend with a KHS student.
6. If a student outside of KHS is attending prom, they must have proof of good standing from their base school.

## Hall Pass Policy

Students in the halls during academic time must have their student agenda book in their possession. The pass will be annotated with the student's last name, the time they departed class, and their teacher's initials. The student agenda is good for one student and one student only. Students will not be allowed to leave class during the first 20 minutes or the last 20 minutes of class

## Applying for a Tennessee Driver's Permit

Students under the age of 18 must first obtain a **Compulsory School Attendance Form** from the Front Office. The top portion must be completed by the student and parent and then returned to the Front Office for attendance/grade verification and signature by a school official. Note: At least two school days should be allowed for completion of this form by the school. It is the student's responsibility to return to the Front Office to pick up the approved form. This form is valid only for 30 days once it is signed by a school official except during summer months. Students with summer birthdays need to plan ahead and receive their approved Compulsory School Attendance Form in May before school is dismissed for the summer.

**Tennessee State law contains requirements for compulsory school attendance and sets the requirements for driving privileges for children under the age of 18. This law states that a student will be denied a license or lose an issued license for failing to achieve specific attendance.**

**\*\*There is no documentation required from the school in order to advance from a driving permit to a driving license.**

## Student Driving and Parking

Student parking is a privilege. In order to park on campus, students must purchase a parking permit from the Front Office. All library fines must be cleared for a student to be eligible for a parking permit.

Parking permits are assigned for designated areas. There will be no parking in the front. All students with permits must park in the rear lot beyond areas designated for the staff.

Parking permits are non-transferable and must be returned to the Front Office upon request. Students who graduate early, transfer or move will not receive a prorated refund on their parking fee. No refunds are issued for revoked parking permits. Vehicles without a current registered permit may be subject to being booted or towed.

Parking permits may be revoked or suspended without refund (limited or permanently) for:

1. Not being on track to graduate
2. Having more than 2 days of OSS
3. Having more than 10 days of Unexcused Absences for the year
4. Having more than 5 unexcused tardies to school per semester
5. Allowing someone else to use your permit
6. Allowing an individual to ride anywhere on the outside of vehicle e.g., pick-up truck bed
7. Loitering in vehicles or parking lots. Once you arrive, you must exit your vehicle and enter school.
8. Failure to display parking permit
9. Speeding or reckless driving
10. Parking in more than one space. Only one space is allowed per car.
11. Revocation of driver's license for attendance/grades
12. Lack of courtesy or safety violations.
13. Leaving campus without approved permission

(This is not a comprehensive list and administrators may use discretion)

Your car may be towed at your expense and/or you may lose your parking privileges if (1) your car is not properly registered and/or (2) you are illegally parked.

**Students must exit their cars once parked and enter directly into the building.**

The school has the right to inspect any vehicle on campus at any time. Cars and parking lots are off limits during the school day without a security or administrative escort. Student drivers leaving campus without permission during the day will be suspended and forfeit their parking privileges for 30-days. Passengers are subject to the same rules as the drivers.

For more information, see Knox County Policy: Student Vehicles (J-510)

## Library Guidelines

The library is open from 8:00 a.m. to 3:45 p.m. Late fees are assessed for overdue library materials. Students are not allowed in the library during scheduled lunch periods without a library pass.

Students must have a "Use of Electronic Media" form on file to access the internet on library computers. Any use of library computers for other than academic purposes is prohibited. *Violators will face disciplinary action and have their computer privileges suspended.*

## Campus Visitors

Karns High School is a "closed" campus. **For the safety of all individuals in the building, students are not to open outside doors to allow entry into the building by anyone.** This includes fellow students as well as unknown individuals. All visitors shall report directly to the school office to obtain a visitor's badge. Only approved organizations will be allowed to visit during lunch hours. Students are not allowed to have outside food deliveries. **Former students are not permitted on campus during the regular school day to participate in activities that require intermingling with the student population; such as, socializing, eating lunch, walking students to class, or visiting former teachers.** *All visitors who fail to report to the front office or display their visitor's badge shall be reported to law enforcement.*

For more information, see Knox County Policy: Visitors (C-210)

## Lockers, School and Personal Property

Lockers are provided by the school for proper storage of school and personal items. Each student:

1. Is offered a locker during orientation.
2. Is responsible for bringing a lock to school upon assignment of a locker.
3. Must use a lock to protect the personal possessions and school property in the locker.

## Bus Information and Expectations

Bus transportation is provided for Knox County students who live outside the Parental Responsibility Zones (PRZ) for each school. A map of these zones, as well as a listing of bus stops and pick-up times, is available in the School Counseling Office or the Knox County Transportation Office.

Discipline on our school buses is a priority in order to ensure the safety of all children. Bus transportation provided by the Knox County School System is considered to be an extension of the school day. Therefore, just as appropriate behavior is expected in the classroom, it is expected on the bus. Knox County bus rules are posted on each bus; failure to cooperate with the driver may result in removal of student riding privileges and/or suspension from the bus.

## Guidelines for Student Messages, Packages, Flowers, Balloons, Etc.

To avoid excessive announcements, interruptions, and the overloading of office personnel, only emergency messages or packages (such as forgotten lunches, lunch money, etc.) from parents or guardians will be accepted for distribution to students during school hours. Lunch deliveries will be handled through the front office only. It is the responsibility of the student to report to the office when notified of a delivery. Students are not to order food to be delivered to the school. Special deliveries such as flowers, balloons and candy will be held in the office until the end of the school day so as not to disrupt the learning environment.

## Student Dress Code

The following expectations for student dress have been established to promote a safe and optimum learning environment. Apparel or appearance which tends to draw attention to an individual rather than to a learning situation must be avoided. In matters of opinion, the judgment of the principal/designee shall prevail.

The following standards will be observed in all Knox County Middle and High Schools:

1. Pants must be worn at the waist. No sagging allowed.
2. Shirts, blouses, and dresses must completely cover the abdomen, back, shoulders and must have sleeves. Shirts or tops must cover the waistband of pants, shorts, or skirts with no midriff visible. Low-cut blouses, shirts, or tops or extremely tight tops, tube tops, or any top that exposes cleavage are prohibited.
3. Head apparel, (i.e., headbands, hats, toboggans, scarves) except for religious or medical purposes, must not be worn inside the school building.
4. Footwear is required and must be safe and appropriate for indoor and outdoor activity.
5. Clothing and accessories such as backpacks, patches, jewelry, and notebooks must not display (1) racial or ethnic slurs/symbols, (2) gang affiliations, (3) disruptive, vulgar, or sexually suggestive language or images; nor, should they promote products which students may not legally buy; such as alcohol, tobacco, and illegal drugs.
6. Skirts, dresses, and shorts must be beyond mid-thigh length.
7. Sleepwear, pajamas, and/or blankets cannot be worn in school.
8. Prohibited items include (1) large, long and/or heavy chains, (2) studded or chained accessories, (3) sunglasses, except for health purposes, (4) sleepwear, and (5) skin-tight outer materials without appropriate coverage.

The school administration reserves the right to determine whether the student's attire is within the limits of decency and modesty. Administration will strive for consistency so the dress code is applied evenhandedly to male and female students.

The principal may allow exceptions in special circumstances or occasions such as holidays or special performances and may further prescribe dress in certain classes such as physical education, vocational classes, and science labs.

Any student not attired in accordance with this policy shall be subject to correction of the violation. If a correction cannot be made, the student shall be subject to additional disciplinary measures as described in Policy J-191 "Misbehaviors and Disciplinary Options."

## **Harassment, Intimidation, and Bullying or Cyberbullying**

Knox County Schools prohibits acts of harassment, intimidation, bullying and cyber-bullying. 1, 2 A safe and courteous environment in school is necessary for students to learn and achieve. Harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate students in a safe and orderly environment; and since students learn by example, administrators, faculty, staff and volunteers should be positive role models in demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying. All Knox County Schools teachers and administrative personnel are responsible for ensuring this policy is faithfully implemented in all areas under their purview or direct supervision.

"Cyber-bullying" means bullying undertaken through the use of electronic devices;

"Electronic devices" include, but are not limited to, telephones, cellular phones or other wireless telecommunication devices, personal digital assistants (PDAs), computers, electronic mail, instant messaging, text messaging, and web sites;

"Harassment, intimidation or bullying" means any act that substantially interferes with a student's educational benefits, opportunities or performance; and:

(A) If the act takes place on school grounds, at any school-sponsored activity, on school-provided equipment or transportation or at any official school bus stop, the act has the effect of:

Physically harming a student or damaging a student's property;

Knowingly placing a student or students in reasonable fear of physical harm to the student or damage to the student's property;

Causing emotional distress to a student or students; or

Creating a hostile educational environment; or

(B) If the act takes place off school property or outside of a school-sponsored activity, it is directed specifically at a student or students and has the effect of creating a hostile educational environment or otherwise creating a substantial disruption to the education environment or learning process.

All students are expected to refrain from acts of harassment, intimidation and bullying or cyberbullying in any form and to be aware that such disciplinary measures as are appropriately assigned in Board policy J-191 will be utilized for the unacceptable behavior described above.

Students who feel they are being harassed, bullied or intimidated may report this concern to any teacher or school administrator or the office of the Superintendent using any means of communication with which they feel comfortable. Consequences and appropriate remedial action for students who commit acts of harassment, intimidation or bullying may range from behavioral interventions up to and including suspension or expulsion. The appropriate action will be consistent with established Board Policy, case law, Federal and State statutes.

## **Personal Communication Devices and/or Electronic Devices**

Personal Communication Devices (PCD) and personal electronic devices including, but not limited to, cell phones, camera, recorder, CD players, iPods, MP3 players, netbooks, laptop or notebook computers or iPads may be stored in backpacks, purses, or personal carryalls. However, the use of the devices during class-time is forbidden unless approved for an academic activity by the principal or the principal's designee. This is not intended to discourage the use of these devices for instructional purposes, but to establish parameters and appropriate oversight for their use. Improper use or storage of PCDs and electronic devices may result in confiscation of the device until it can be released directly to a student's parents and/or guardians. A student in violation of this policy is subject to related disciplinary action.

Students may possess PCDs while on school property. The devices may be used before and after school, during lunch periods and during class change times. At all other times the PCD must be in the silent mode. The principal or the principal's designee may grant a student permission to use a PCD during class time for a specific academic purpose or at other times for other purposes that the principal deems appropriate.

A PCD used outside these parameters may result in confiscation of the PCD until it can be released directly to the student's parent or guardian. A student who possesses a PCD, in violation of this policy, is subject to related disciplinary action. Continued violation of this policy may result in loss of PCD privileges. Additionally, students may lose PCD privileges for any policy violation that is related to or is the result of the use of a PCD whether or not the PCD was used within the parameters of this policy.

In addition to the parameters established above, use of a PCD or other electronic device to bully, harass or intimidate others will be subject to related disciplinary action. Using a PCD or other electronic device for any illicit activity including but not limited to take, disseminate, transfer, or share obscene, pornographic, lewd, or otherwise illegal images, photographs, or similar material whether by electronic data transfer or otherwise may constitute a crime under State and/or Federal law. Any student taking, disseminating, transferring, possessing or sharing obscene, pornographic, lewd, illegal, or otherwise inappropriate images or photographs of other students or any other under age individual at school, on a school bus or while attending any school event or activity will be subject to the disciplinary procedures of the school district and reported to law enforcement and other appropriate State or Federal agencies.

**Students are prohibited from taking/sharing unauthorized photographs or making unauthorized recordings of other students at school, on school transportation or at school sponsored events.**

**Social Media events/incidents that occur outside of school hours and events should be reported to the Knox County Sheriff's non-emergency department.**

Any person taking, disseminating, transferring, or sharing obscene, pornographic, lewd, or otherwise illegal images or photographs will be reported to law enforcement and/or other appropriate state or federal agencies, which may result in arrest, criminal prosecution, and LIFETIME inclusion on sexual offender registries.
