

Gibbs High School 2019-20 Course Selection
9th Grade

Name:	Middle School:
Email:	<input type="checkbox"/> Check the box if you plan on playing sports in college. Some classes DO NOT meet NCAA requirements, so plan ahead and let your coach & counselor know your intentions to play in college.
Phone:	

SUBJECT	YOUR CLASS	IMPORTANT NOTES
English		ALL English classes have summer reading assignments due in August .
Math		A math is required every year of high school
Science		3 sciences are required for graduation: Biology, Chemistry or Physics, and 1 additional lab science.
Social Studies		You will take social studies every year.
Wellness	Circle one: Lifetime Wellness (1 semester) <u>or</u> JROTC (2 sem.)	JROTC teaches leadership skills, physical fitness training & requires a military-style uniform 1x/week. 2 sem. of JROTC meets the Lifetime Wellness AND .5 credit PE requirement.
Enrichment	Career Exploration or Academic Intervention	Students may be placed in required Math or Reading Intervention based on middle school recommendations.

Selection of English, Math, Science, and Social Studies courses were based on students' current academic progress, grades, test scores, and teacher recommendations. If you would like to take a more advanced class than the one recommended for you, you will need to complete and sign the Academic Level Change form.
