
 Halls High School - Reading Survey 

Dear Student:

If you will fill out this simple survey, the school librarian will provide a list of recommended reads prepared just for you, based on your interests. I can't guarantee that you'll love every title listed, but I promise that it will be a good start!

Student Name: _____ Grade Level _____

Do you think you would like --- ? (check as many as you wish)

- Mysteries - stories that involve a suspenseful event (often a crime of some type).
- Humor - simply, books that will make you laugh and may include funny situations, characters, or outcomes.
- Fantasy - a type of fiction that contains elements such as characters or settings that could not exist in life as we know it today. Settings might be magical or otherworldly.
- Science Fiction - stories which include futuristic technology, a blend of scientific fact and fictional elements.
- Action/Adventure - a type of realistic fiction that is exciting and usually has an aspect of peril, threat, or danger.
- Historical Fiction - give a historically accurate portrayal of life during a particular time in history. These can include books about people, events in history, or historical places.
- Romance - stories about romantic relationships; dating; crushes; love.
- Realistic Fiction - set in present day. Characters encounter modern day difficulties and dilemmas. Can include mysteries, adventure stories, humorous stories, and much more.

Nonfiction Books are informational books written by credible authors. Nonfiction books explain how things work, tell facts about different topics, and show us how to do various things.

What are some things you think would interest you? (Examples: sports, animals, countries, art, music, cars, military, wars, etc.) Be as specific as you can and list as many as you would like.
