

FAFSA: What is it?

Free Application for Federal Student Aid

This is a form, one that is required to be filled out to receive any federal or state funding/aid (Example: Hope Lottery Scholarships, TN promise, grants, work study, loans, etc.)

When do I fill this out?

The form should be filled out in the student's senior year of high school (and every year after that they plan to continue education).

When will it be released and when is it due?

The form will be released in December of 2023
The form will be due no later than June...
We will work with each student to complete before graduation... There are new rules in place this year.

Where do I find the fafsa and what if I need help?
