We are redefining how parents, students and teachers view PTSO! Bearden High School's PTSO is made up from every walk of life. Our diversity is what gives our school life. Our goal is to create a community that supports our teachers, the school, the staff and our kids that go to school here. We encourage everyone to join Bearden's PTSO! You can take an active role in our PTSO, or just sit back until there is an opportunity that sparks your interest. Join us in making Bearden High School the best High School in Knox County! Simply fill out this form and have your child turn it in along with your check to the West Hall Office!
