Missing School Matters!!!

Set your child up for success through regular attendance!

Attendance during one school year

94% attendance means:

- 10 days absent, which is approximately two weeks and 60 lessons missed.

90% attendance means:

- 19 days absent, which is approximately four weeks and 120 lessons missed.

85% attendance means:

- 29 days absent, which is approximately six weeks and 180 lessons missed.

80% attendance means:

- 38 days absent, which is approximately eight weeks and 240 lessons missed.

75% attendance means:

- 48 days absent, which is approximately ten weeks and 300 lessons missed.

70% attendance means:

- 57 days absent, which is approximately 11.5 weeks and 345 lessons missed.

65% attendance means:

- 67 days absent, which is approximately 13.5 weeks and 405 lessons missed.

Fire House Safety Program

On March 11th, 13th and 15th, all students will have the opportunity to experience the Fire House and Tornado Simulator. This activity teaches children what to do in case there is a fire or tornado. We are so thankful to Captain Paul Trumpore and his staff for providing this important service to our students through the Fire Public Education program.

News from Nurse Shannon

March 18th-24th is National Poison Prevention Week. Poisoning is a danger for all of us and the #1 cause of injury death in the state of Tennessee.

Poison Prevention Tips:

*Put the number for Poison Control in your phone and post it in your house which is 1-800-222-1222.

*Keep medicines and household products in their original containers and stored away from food.

*Always read the label and follow all directions and use safety precautions. Never call medicine "candy". Poisons can look like food and drink.
