## IT'S COUPON BOOK TIME AT NORWOOD ELEMENTARY

It is once again time to begin selling coupon books in Knox County. The books go on sale on **Thursday, September 6th** and will remain on sale through **Thursday, September 26th**. This year, I am asking that each child work toward selling three books. The cost is \$10.00 per book, with the school keeping \$8.00 per book. The money will be used to purchase an electronic sign which will replace our current sign. There are daily prizes based on the number of books the children sell, but we are also adding some incentives that we think the children will really be excited about! For those children that sell four or more books, we are going to have a "Candy Grab". This is where the children will go to the gym and pick up as much candy as they can and place it in their bag in 40 seconds. We will also be giving away Beats headphones to the top seller, \$100 Main Event card to the second place seller, a \$75 Max air card to the third place seller and a \$50 Regal Cinemas card to the fourth place seller. Thank you for helping to support our school!

## Important Information

I want to welcome everyone to the 2018-2019 school year. The boys and girls have had a great start to the school year as they get back in the routine. We had a wonderful Meet and Greet that was sponsored by Wallace Memorial Baptist Church. Everyone had a great time and we appreciate Wallace and their volunteers so much as they help to provide school supplies for the students in the community as well as provide fun activities for everyone to enjoy!

We have the privilege of being a Title I school again this year. Our budget is approximately \$440,00 with the money going mainly for personnel and programs that will support the learning that takes place in the classrooms.

I also want to share our school goals that we are working towards this year. It is our desire to increase reading, math and science proficiency, improve our attendance and to continue to grow a positive culture and overall positive behaviors.

Thank you for allowing us the privilege of teaching your child each day. By working together, it is my desire that we will see great academic growth and success this school year.

# Welcome New Staff Members

Third Grade:	Lacey Sharp
Fourth Grade:	Shannon Roberts
Fifth Grade:	Tim Bennett Lauren Fevrier
Special Ed:	Veronica Harris
School Nurse:	Shannon Wright
GT Coach:	Matthew Cheek
Physical Therapist:	Rachel Komeshak
Occupational Therapist:	Marilyn Lee
School Resource Officer:	Officer Tim Lightfoot

We want to welcome each of these staff members to Norwood! We are excited to have them here at Norwood!!!

# Thank You to Our Partners

We want to thank the following businesses for helping us get the school year off to a great start!!! We appreciate all that these groups do for us during the school year!!!

Wallace Memorial Baptist Church  
Dream Center  
New Hope Presbyterian Church  
Faith Promise

Ivan Harmon/Mike Dowell-KCSCO  
Work Release  
Redemption Church
