Today it's up to me to be the BEST that I can be!

The Principal's Principle for this week is

Integrity

Integrity means complete and total honesty, which causes a person to do the right thing, even if no one else will know. Having integrity means you walk the walk, or make your actions match your words. Abraham Lincoln said "When I do good, I feel good. When I do bad, I feel bad." Integrity helps you to do the right thing because it is right, no matter what someone else chooses to do. "You should be more concerned about what your conscience whispers than about what other people shout." Listen to that little voice that helps you live with integrity.

Ms. Cox invited Mayor Jacobs to talk to our students about his career and read to our 3rd graders. Mr. Jacobs read "Who Will I Be."
