Kindness Challenge

February 12th-19th

It's **COOL** to be **KIND**

Purpose:

In an effort to create a culture of kindness, our school, along with hundreds of other schools across the nation will be participating in a Kindness Challenge during the week of February 12th- 19th. The purpose of this week-long event is to foster an environment that values the importance of being kind all year round. Studies have shown that promoting kindness among kids promotes self-confidence, positivity, and increased happiness.

Theme:

This year's theme is "It's Cool To Be Kind". The week is devoted to doing as many acts of kindness in and out of school.

Parents please check lost and found. We will be donating unclaimed items after next Wednesday, February 19th.

Today, we are starting a new project to help the Pennies for Patients Program. This is a fundraiser to help kids who have blood cancer. Information will be sent home today with a BOX to help you become a hero for the kids that need our help. Any time you have some extra change over the next 3 weeks, put it on your box. Every cent counts. Look for your child's box, put it together and start collecting change
