HALLS
ELEMENTARY
SCHOOL

August 20th, 2018
Volume 10, Issue 2

Today it's up to me to be the BEST that I can be!

The Principal's Principle for this week is

Caring

Caring means being supportive and responsive to the needs of others with kindness and compassion. A caring person thinks about the needs of others and tries to help them. Understanding another person's feelings is a part of CARING. Someone said: "You can't understand another person until you walk in his shoes." It does not actually mean to wear somebody's shoes, but rather, to think about what the life is like, so that you can understand what they need and feel.

Carpool News

Please make sure we always pull in the middle entrance by the tennis courts. We are still having to talk to several parents/guardians about the procedure. Please make sure car tags are visible in the afternoon pick up line. If you are coming south on Andersonville Pike in the morning and afternoon, please allow cars to exit from the top. If we don't allow people to pull out then it backs down to the school. If that happens then we get in a jam because no one can move until the top exit clears out.
