Today it's up to me to be the BEST that I can be!

The Principal's Principle for this week is

Excellence

Excellence means that something is very good or exceptional. "Excellence is the gradual result of always striving to do better." Everyone is good at something. No one is good at everything. Every one of you can be EXCELLENT in one area...EFFORT. Excellent effort happens when you work very hard and try to do your best. "Good, better, best; never let it rest, until your good is better and your better is best."

Hound Dog Hoedown and Auction

Date: March 30th, 2019

We are getting some great auction items for our Hoedown. If you or someone you know owns a business that would be willing to donate items please let us know (Mitchell Cox or Amanda Van De Griff). If you have a timeshare or vacation rental that you would be willing to donate please let us know as well. We will take all kinds of auction items. We appreciate your support and look forward to March 30th.

Photos are from our Vertical Planning Day. Our K students worked with our 3rd grade students. 1st grade worked with 4th grade and 2nd grade worked with 5th grade. This allowed us to get our 3rd, 4th, and 5th grade teachers together for some vertical planning. The students worked on different projects. The younger students always enjoy working with students they look up to. Our older students really enjoy helping our younger students.
