*Dear Harry Potter Fan,*

*We are pleased to inform you that you have been accepted at Hogwarts School of Witchcraft and Wizardry; however, due to the limited access of train platforms in the area, we are please to inform you that Bearden Middle School will be home to the students of Hogwarts. Since there is an excessive amount of Muggles or No-Maj in this middle school we are forced to call this branch of Hogwarts the “Harry Potter Club”.*

*Please do not be offended of the title , but the secrecy of our community is highly important.*

*Please find enclosed information regarding the “Harry Potter Club” including apermission form.*

*Yours Sincerely,*

*Sade Rakestraw
