- The **Status** column displays information about the course, such as if the course is full, or if this is the course your current teacher recommended for you. Depending on the subject, you can either select any course, or are required to accept the courses recommended for you.
- If your teacher entered comments about a recommendation for you,  appears in the **Status** column. Click the icon to view the comments.
- If you are entering alternate requests, you can type a number in the **Priority** column to prioritize them; type 1 next to the alternate you want to try to be scheduled in first, type 2 in the next alternate you would want on your schedule, and so on:
