

Holiday Assistance 2020

The holidays are fast approaching! As we have in years past, we are offering the opportunity to participate in a couple holiday assistance programs through our school. We know this year has been hard on a lot of us, so if you find yourself in need of a little help with the holidays, please fill out the attached forms and return to **Ms. Lizzie Gaver** at SKE. (Virtual families can fill out, scan and email to lgaver@knoxed.org, or drop off at the front office for Ms. Lizzie)

Thanksgiving Baskets

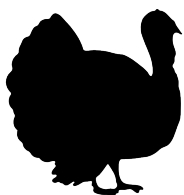

Assistance for Thanksgiving will come in the form of Thanksgiving Baskets! We will give you more information on where and when you will need to pick up your basket from one of our partners as the time gets closer. Fill out the next page if you are interested in participating in this program.

Christmas Assistance

In order to receive assistance with Christmas this year, you will need to complete **3 hours** working with a service project to enhance the community.

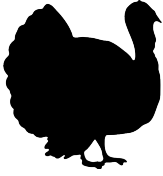

There will be a work day on **Saturday, October 24** at SKE to help you complete these hours. Please contact me if you have any questions about how to complete your hours, or if you need ideas for service projects. You will need to have someone (a project supervisor or someone who can confirm you have completed them) validate your hours, so make sure to communicate with them and us ahead of time. Your hour will have to be **completed by November 24th**.

We will give you more specific information once you have returned the attached form signaling your interest in participating.

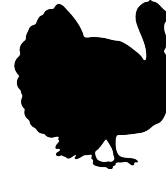

Please return these forms by Friday, October 23.
