Farragut High Shuttle Bus 364

HVA Shuttle Bus 97

Powell High Shuttle Bus 87

We are finalizing bus routes for those students needing transportation to Byington-Solway in the morning. After second period is complete, buses will transport students to their base school – Bearden High, Farragut High, Hardin Valley Academy and Powell High. Students at Karns High will walk next door for their remaining classes.

If your student attends Karns High, he or she may be able to ride their regular school bus in the morning if it arrives at school before 7:50 a.m. In cases where a bus arrives after 7:50 a.m., parents may request transportation or use alternate transportation to prevent tardiness.

All students who have transportation needs should send an email to transportation@knoxschools.org with "Byington-Solway" in the subject line no later than **Friday Dec. 15, 2017**. Include your child's name, address and telephone number. We will make every effort to post the bus routes on the Byington-Solway website no later than Friday, Dec. 29, 2017. Classes at Byington-Solway will begin on Tuesday, Jan. 9, 2017.

If you have questions, please do not hesitate to contact Transportation at 865-594-1550.

Thank you,
Ryan Dillingham
Transportation Supervisor
