

District Learning Day Site Directory Tuesday August 1, 2017

August 1, 2017 is the first District Learning Day (DLD) of the 2017-2018 school year. There will be NO prior registration for the August 1 DLD sessions, which means most sites will have registration/arrival activities preceding the first session. Please plan to arrive early to ensure you have adequate time to park, register, and orient yourself to the day's activities.

The following information is provided below to support planning for August 1st:

- General schedule for August 1st events (p. 1)
- Directions for accessing Programs of Study (p. 1)
- A full directory of all District Learning Day locations (p. 2-4)

General Schedule for All Locations

The schedule for the day varies slightly by location. Please note:

- All DLD sites will offer a **full-day** of programming.
- **Sessions will begin at 8:00 a.m. at the four designated Elementary Sites** (Halls Middle, Northwest Middle, West Valley Middle, and Central High School).
- **Sessions will begin at 8:30 a.m. at the remaining Secondary and Departmental sites.**
- Please reference your individual department/site Program of Study (links provided) for additional details regarding the schedule for the day and available sessions.

Accessing Your Program of Study

On the following pages, a complete directory of all District Learning Day locations is provided. Included in these tables are teacher/school assignments, site addresses, and links to each site's individual Program of Study (where applicable). The Program of Study will provide a more detailed schedule for each site and detailed descriptions of the available sessions. You are encouraged to access and read your site's Program of Study BEFORE arriving on August 1.

Note for Elementary Teachers

Central High School will host **ALL KCS Pre-K, Kindergarten, and 1st grade teachers.** **The other three elementary sites** will be assigned to schools by region and offer sessions for **grades 2-5.**

Presenters

Many of the presenters for the District Learning Days are teachers and coaches in our district who have agreed to lead these sessions for their colleagues. In addition, we have a variety of outside community partners and guests who provide learning opportunities on these days. Please be a supportive participant during the District Learning Day sessions. Also, we invite you to reach out to the Office of Professional Learning if you are interested in being a presenter in the future.
