District Learning Day

Elementary STEM Teachers

@West High School 8:00-11:30

Site Lead: Andrea Berry, Science and STEM Supervisor

Location: Room 119

Elementary STEM teachers attending this location will need to sign up for the day on MyLearningPlan. There will be one sign up for this day.

<i>Time</i>	Session Title	Description
7:45-8:30	Breakfast Served Cafeteria Area	
8:30-8:50	General Session in Small Auditorium	This is a large general session to go over vision and goals and year reflections. <i>Presenter: Andrea Berry</i>
9:00-10:10	STEM standards and More!	This will be a time to get a look at the STEM standards and how they should be used in our classrooms. These standards will be rolled out by the state in 2020 but we are getting a jump start to unpack and think about how we meet these expectations in our classrooms. <i>Presenter: April Lamb</i>
10:10-10:20	Break	
10:20-11:30	STEM Innovation in your Classroom	Hear from two of our STEM elementary teachers about innovative lessons they have used this year. <i>Presenters: Lori Moss and Jessica Everett</i>
11:30	Dismissed for Lunch. Please return to your base school by 1:00.
