

## IB A&A HL Year 1 Summer 2021 Assignment

### Join Miss White's DeltaMath class:

- If you've never used DeltaMath.com before....  
Click on "Create Account" and "Sign up with Google" using your knoxschools email account and credentials.
- If you have already used DeltaMath with another teacher/class....  
At the TOP RIGHT, click on "Tools" and choose "Manage Login and Courses"  
This page says "Login and Class Information" at the top
- Click on the box that says **Add Teacher or Access Code** and enter **424741**.

- This will appear:

The screenshot shows a form with the following elements:

- A text input field labeled "Teacher or Access Code:" containing the number "424741".
- A "Cancel" button to the right of the input field.
- A dropdown menu labeled "Ms. White:" with a "Select" button and a green "add" button.
- A list of course options: "Blue 1 IB Y1", "Blue 3", "Blue 4", "IB A&A HL c/o 2023", "Red 1 IB Y2", and "Red 2".
- An arrow points from the text "IB A&A HL c/o 2023" in the list to the text "IB A&A HL c/o 2023" in the list.

- You MUST Select the class "IB A&A HL c/o 2023"

If you are unable to join "IB A&A HL c/o 2023," email [Celeste.White@knoxschools.org](mailto:Celeste.White@knoxschools.org).

### Now you will see an assignment titled "Summer 2021 Assignment."

- With few exceptions, you will have 2 attempts at each problem.
- There is no penalty; when you miss a problem, your % complete does not go down, but you'll need to get another problem correct.
- There is a help video for each skill set.
- The assigned skills are from Algebra 1 & Algebra 2.
- DeltaMath estimates the total time needed is 2 hours. Please don't wait until the night before the first day of school.

**Your first test grade for the year will be the % you've completed of the assignment by our first full day of class, or Wednesday, August 11<sup>th</sup> at the latest.**
