

IB SL Year 2 Summer Assignment

Purchase or check out (in room 126) a copy of The Handmaid's Tale by Margaret Atwood.

Read the first 25 chapters (through page 159).

On the first day back, you will be required to complete an assignment on the first half of the book, and we will continue reading the book together.

Do NOT watch the show and expect that it will be the same. It is very different, and things that happen in the first episode don't occur until the end of the book. The main character is also quite different in the show than in the book.

Also, be careful NOT to purchase the graphic novel for this assignment - it's a great book, but it's not what we are reading.
