

## **IB SL 1/Honors 3- Sommer Aufgabe**

This year will be a great year filled with LOTS of growth in the language! IB SL German is a more rigorous course in terms of material, independent work and responsibility accompanied by more difficult authentic texts, more complex discussions in German, listening, reading and writing in German.

In order to prepare you in a more interesting/informative way, your summer assignment will be divided into two parts (Teil A und B).

### **Teil A: Logo Nachrichten (Logo News)**

Logo is a 10 minute children's version of ZDF- daily news (they are a major German news/television network). For this assignment, following the steps below.

- a. You will be required to watch 10 Logo episodes total this summer (ca. 1 per week) : (<https://www.zdf.de/kinder/logo/alle-logo-sendungen-100.html> )
- b. You will create a Logo Journal (either a digital document or on paper) that you will turn in at the beginning of the school year.
- c. For each episode, you will be required to write:
  - the date of the episode in German (i.e. Freitag der 21. Mai)
  - a detailed summary of the entire episode (auf Englisch oder auf Deutsch)
  - 5 new/previously unknown vocab words you heard/saw in the episode (with articles if it's a noun & the infinitive form if it is a verb), and their definitions.
- d. You will put these 5 words & definitions per episode (i.e. 50 words by the end of the summer) in a quizlet list titled **(Name) Logo Sommer Vokabeln**. At the beginning of the school year, you will have a quiz over the words you learned this summer from your Logo Journals (written and matching)
- e. You will submit the link to your journal (Google/Word doc.) or turn in your hand written journal entries, as well as a link to your quizlet list.

### **Teil B: Vokabeln**

Students need to complete LEARN at some point during the summer on each of the below decks. The students will earn 20 points for Learn for the [\*100 Most Commonly Used Verbs\*](#) & 10 points for completing LEARN of [\*Passwords-Idiomatic Expressions\*](#). Go ahead and join our class too: <https://quizlet.com/join/9ZBFxmatr>

We will have a quiz the first full week of school over the following two decks.

- Then, join your class → [IB SL 1/Honors 3](#)
- **Studying with Quizlet:**
  - *Learn* - students go through all words in a deck at a variety of levels of comprehension. The questions start easy, and get more difficult as the students begin showing mastery of words.
  - *Flashcards* - Good old fashioned flashcards, just online instead of handheld.
  - *Write* - shows definition, and student writes term.
  - *Spell* - Reads word aloud for kids to write the opposite definition (English or Spanish)
  - *Match & Gravity* - both are games that allow students to quiz themselves after studying
  - *Test* - students can test themselves using this feature
- **Printing from Quizlet:** From the drop down list of the deck, students can print lists and even hand-held flashcards directly from the deck homepage.
