

L'ÉTÉ en FRANÇAIS!

Bienvenue aux travaux d'été de la classe de **Français IB Ab Initio / SL / HL 2eme année**

In order to maintain your proficiency level and skills in French, it is important to practice your listening and reading skills this summer. To support your French, ***it is best to do a little bit throughout the week*** rather than trying to cram it down the week prior to school starting. There will be no advantage and no proficiency gain to your language skills.

As a reminder, here are our **IB French THEMES** - you will need to refer to them in your logs.

This summer, you will be reading and completing a reading JOURNAL (with guidance) of the novel **Le Petit Prince** by Saint Exupéry.

In **Ab Initio**, you may write your responses in **ENGLISH** to show comprehension

In **SL**, you may write your responses to your comprehension questions **in Franglais**.

In **HL** you must write your responses **in FRENCH**!
