A Letter from the Teachers

You will receive a letter from Hardin Valley the week before school starts in August. This letter will inform you of the two staggered dates your child will attend during the first two weeks of school. A generic supply list will also be included in the letter. A special *Meet the Teacher Night* will be scheduled after the first staggered week of school.

Staggered Attendance

During the first two weeks of school in August, your child will come to visit kindergarten in a small group. This is to help your child become comfortable with a school setting, and to give all of our kindergarten teachers a chance to get to know each child better. Your child will only attend from 7:45 to 12:00 pm on these two staggered days. Be sure you have an after-school child care plan for these two early dismissal days. Please understand these two days are important to help students get to know the teachers and for the teachers to screen all kindergarten students. *Remember, there is no bus transportation on these days.*

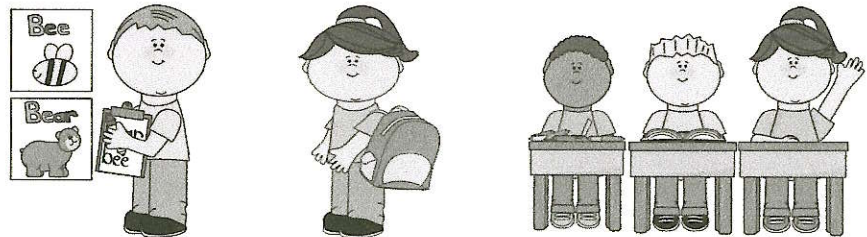

DAY 1: Please walk with your child into the lobby. Before you leave, our kindergarten teachers and administrators will meet you, collect some information, make sure your child is settled in, and answer any questions. All of our kindergarten teachers will have an opportunity work with, and get to know, every child on this day. Our principal will meet with kindergarten parents on the morning of your child's first special day. It will be a short 10-15 minute meeting in the library.

DAY 2: Your child will attend school again the following week. Classroom assignments will have been communicated by this day, and your child will spend the entire morning with his/her new homeroom teacher and a few new friends. There will be email communication regarding your child's homeroom assignment.

KINDERGARTEN SCREENING

The progress children make when they begin an educational program depends, to a large extent, upon their readiness for school. For this reason all kindergarten children are screened at the beginning of the school year to determine their areas of strengths and needed growth related to the curriculum. This information is used to help the teacher plan appropriate academic activities for your child.

During the school year vision and hearing are also checked to identify potential problems that may require further attention by specialists in those fields.

HELPFUL HINTS FOR A SUCCESSFUL FIRST FEW DAYS

Arrive on time!

During staggered enrollment, class times are 7:45 am to 12:00 pm. *Students must be driven to school, and picked up, by an adult. *There is no bus transportation on these staggered days. The regular school day is 7:45 am to 2:45 pm (after the first two weeks).

Reassure the student and leave cheerfully.

Tell your child you will see him/her soon and to have a good day. Staying around too long can be a distraction to your child, and lingering only makes it more challenging for the child and teacher to begin the school day.

Traffic Pattern
Arrival 7:00-7:45 AM
Dismissal 2:30-3:00 PM

Three options to deliver children to school:

1. Ride the bus if you qualify. This is the preferred option and you avoid traffic altogether!
2. Enter "drop off area" line at Hardin Valley Road.
3. Enter parking lot from either end to park. Parents must escort children all the way to the "hug line" at the front entrance.
