

KCS CONNECT

Fall 2020

Special Education

- Knox County Schools will continue to provide families the opportunity to meaningfully participate in the IEP / 504 processes. Staff will work with families to determine if virtual or in-person meetings are appropriate.
- Accommodations and modifications are provided regardless of the educational setting. The IEP / 504 teams will work collaboratively with families to identify alternative solutions if it is determined an accommodation or modification is not appropriate or successful in a particular setting.
- If an IEP / 504 team determines that a student requires a device other than a Chromebook, KCS will provide an alternative device option.
- If a student utilizes the virtual learning program, special education teachers and Section 504 case managers will continue to work closely with general education teachers and / or students to support all provisions, such as accommodations and / or modifications.
