

COLLEGE & CAREER WEEK

OCTOBER 4-8, 2021

DID YOU KNOW?

- Teaching kids about their options after high school can motivate them to do well in school.
- Even elementary students can dream big about their futures!
- For most of our students, **teachers are the primary or exclusive source of info about college and technical schools.**

WHAT TO EXPECT:

- Conversations during morning announcements
- Videos and activities
- Guest speakers
- Career/College gear dress-up days
- Encouraging kids to dream big about their futures
