- Marching Band (Fall only)
- Color Guard (Fall only)
- Music History (Fall only)
- Symphonic Band (Spring only)
- Jazz Band (Spring only)
- Indoor Percussion (Spring only)

****Descriptions for each class are
on the back!****

Class Descriptions

- **Marching Band**: Meets during school every day and after school on Tuesdays & Thursdays. They perform at football games on Friday nights & competitions on Saturdays.
- **Color Guard**: You must audition to be in the Color Guard. Auditions take place in the Spring. This class meets during school every day and after school on Tuesdays & Thursdays. They perform at football games on Friday nights & competitions on Saturdays.
- **Concert Band and Symphonic Band**: These classes are a lot like your band class now. Woodwinds, brass, & percussion meet together every day to work on concert music.
- **Indoor Percussion (Spring only)**: You must audition to be in Indoor Percussion. Audition music and practices take place in the Fall to help get you ready to audition. Don't worry--there are several 9th grade students in Indoor Percussion right now.
- **Jazz Band**: We recommend that only 10-12 grade students take the Jazz Band class. That way, you will be more prepared for the challenge of the music/styles.
- **Music History/AP Music Theory(Fall only)**: This is a non-performance class that studies the history and development of music as we know it today. It is not recommended for 9th grade students.
