

Welcome to the house of Fidelis

Congratulations! Your child has been selected to be in the House of Fidelis! Inskip's school mascot is the lion, so when deciding on the names of our five houses, we wanted to look at the most outstanding qualities of lions.

Fidelis is the Latin word for Loyalty. Lions are one of the loyalist animals around. Similarly, it is our goal that our students will learn characteristics of being loyal. Being loyal means being close knit and protective of each other. Being loyal might mean that we have to put other people's best interests before our own. Loyalty also means that we are always 'true to our word' and if we promise to do something or be somewhere then we try our hardest to fulfill that promise and always be on time.

The house system is a way to build camaraderie, a sense of belonging, and a shared commitment. Students and staff will work as a team to EARN POINTS for their HOUSE, based on exceptional manners, following the ROAR expectations, and working towards academic excellence.

The House System will allow students to:

1. Have additional leadership opportunities.
2. Work with students outside of their classroom.
3. Think of others before themselves.
4. Realize that being a part of a team is just as important as winning.
5. Participate in healthy competition with peers and staff.

Fidelis's House color
is Topaz
(Yellow).

Loyalty is one of the
characteristics of a
lion.

5 Houses = 1 Family
