

Welcome to the house of Superbia

Congratulations! Your child has been selected to be in the House of Superbia! Inskip's school mascot is the lion, so when deciding on the names of our five houses, we wanted to look at the most outstanding qualities of lions.

Superbia is the Latin word for Pride. Lions are one of the proudest animals around. Similarly, it is our goal that our students will learn characteristics of showing pride. Pride can refer to the standards you have for yourself – your dignity. Having pride in yourself is important. Pride also acts as a verb meaning "be proud of." Pride is feeling the same admiration, approval, and respect for yourself and your achievements as you do for **others**.

The house system is a way to build camaraderie, a sense of belonging, and a shared commitment. Students and staff will work as a team to EARN POINTS for their HOUSE, based on exceptional manners, following the ROAR expectations, and working towards academic excellence.

The House System will allow students to:

1. Have additional leadership opportunities.
2. Work with students outside of their classroom.
3. Think of others before themselves.
4. Realize that being a part of a team is just as important as winning.
5. Participate in healthy competition with peers and staff.
