Counselor’s Corner:

Happy Fall!! Welcome Back to school! Please see Counselor Corner on the web page with detailed school counseling information.

The month of September we will begin our Character counts monthly emphasis. We will focus on the Character Trait of Respect and will be learning how to be respectful at school, home, and with our friends. **Our color for September is Yellow. Wear Yellow on Tuesday, September 18th to celebrate Respect.** We are fortunate to have Mrs. Carrie Meade with us as School Counselor Intern this semester to work with students individually, in groups, and teaching classes under my supervision. Kids Hope mentoring program and the Backpacks for Kids programs are available to our students. If you are interested in finding out more information regarding one of these programs, please contact me. Thank you, Ms. Melinda, School Counselor
