A Message From Your Administration

In the wake of violence around our country, we want you to know that our children's safety is of great importance to us. We are reviewing our safety plan to make sure it is as full proof as possible.

We would like for each of you to speak to your child about reporting any inappropriate words that a peer might say to them to an adult at school immediately (right when it happens).

We Want To Hear From You

Parents, we want to hear from you. Please share all the GREAT things that's happening in your child's class. We want your assistance with celebrating and recognizing our CBES teachers.

We also want to hear your suggestions to make things better here at CBES in the instructional arena, behaviorally, culturally, etc. Please email your good news and your suggestions to: tara.howellspikes@knoxschools.org. Only together can we truly make a difference. Your continued support of CBES is welcomed and appreciated. Our goal is excellence for every student at CBES. Thank you for joining us to attain excellence at CBES. Thanks for being engaged parents.

Partners In Education

Thank you Tiger Rock/Josh Hazelip, Tropical Smoothie/Jody Willerman, Mike Lewis with State Farm, and Aubrey's for sponsoring our monthly staff & student recognition programs. We appreciate your AMAZING continuous support! Together we are truly making a difference at CBES. What would we ever do without WONDERFUL men like each of you?
