### A Message From Your Administration

Parents, it truly takes a village to raise our students. Thank you for partnering with our staff this year to do what's best for every student. During the summer, we hope you will take time to make sure your child reads at least 20 minutes a day, practices math facts, visits the library, and has fun. We appreciate your partnership. Have a great summer.

### We Want To Hear From You

We have our end of the year CBES parent survey open for your feedback. We hope you will take some time to complete it for us. The closing date for the survey is May 24th. Thanks again for your feedback. We appreciate you.
