Ms. Banner Announces Retirement; Ms. Jessie Appointed Principal

Congratulations!

The PTSO scholarship recipients for 2016 are Meg Lampley (shown above) and Kofi Bonah!

Congratulations to Ms. Katherine Banner on her upcoming retirement from the Knox County School System and for much success in her next two years at an IB school in Abu Dhabi, United Arab Emirates. Also, congratulations to Ms. Ashley Jessie who has been named as the new principal at West High School beginning the 2016-2017 school year.

Ms. Jessie has an excellent record as a school administrator and has distinguished herself as an instructional

leader in our school system. While Mrs. Jessie is currently the principal at Holston Middle School, she entered education in 2000 as a 5th grade language arts and math teacher in Jefferson County. She joined the Knox County Schools in 2002 as a language arts teacher at Holston and has been an administrator since 2010. Mrs. Banner will work with Mrs. Jessie to make the transition as smooth as possible.

The last PTSO meeting of the 2015-2016 school year.

Attending PTSO Meetings is a wonderful way to learn about what is going on at WEST!

The **Eighth Annual Spring Soiree** was held at Lighthouse Knoxville March 5. This event is a collaborative effort hosted by the West High School Foundation and the West High School PTSO. This annual benefit is the main fundraiser for the high school and includes sponsorships and live/silent auctions. The Spring Soiree committee likes to say, "We put the fun in fundraising!" That was evident the evening of the event, with 260 guests enjoying live and silent auctions and a catered dinner. Highlights of the silent auction items included trips, pampering packages, art-work, jewelry, parties, dine and dash (gift cards to buy at a discounted price), and the always-popular Man Cave Area! The live auction highlights included UT Football tickets to the Florida Game, a Yacht Cruise for 40, Drive the Dragon, Preferred Graduation Seating, Lake Home Vacation, and Homemade Meals for a Year. The co-chairs for this year's Soiree were Marisa Stone and Ellen Sullivan.

West High teachers Paula Franklin & Caleb Clark encourage sales for the yacht sunset cruise in the live auction.

Mia Whitmore Wins CTE Goes Live!

Friday night, May 6, in front of a crowd of over 9,000, West freshman Mia Whitmore sang in the Knox County CTE Goes Live on Market Square and won!

CTE Goes Live is a singing competition for high school students from 15 Knox County's high schools. It was televised live on myVLT. Contestants were selected from winners of school-level competitions. The winner of the overall competition received a fully produced, radio-ready, mastered track with Nash10Studios and one recording session at Nash10Studios in Nashville.

The Career Technical Education Department hosts this event to give students in CTE classes real-life experience producing an event. Graphic design students create all the flyers and posters. Photography students take pictures of the event as well as in a photo shoot. Construction students build and later dismantle the stage. Students in TV and radio classes handle the live footage on the radio and web. Criminal justice students provide security in the "green room." Students in cosmetology work with contestants before the event.

Congratulations Mia, the West community is so proud of you!

Fruit Friday

The West High School Fruit Friday club is changing the way students think about their lifestyles- one apple at a time. Since the beginning of the school year, Fruit Friday has been on a mission to educate students about the benefits of healthy eating and foster a spirit of community- all through the power of the free fresh fruit that they give out once a month. After seeing the mass quantities of candy, chips, and processed foods consumed by the majority of the school, senior Ella Walsh and sophomore Victoria Walsh created Fruit Friday to address the visible need for better nutrition as well as to celebrate the West High community. With the help from teacher sponsor Mrs. Ulla Carr and fueled by anonymous donations, Fruit Friday has been handing out free fruit one Friday a month since September and the club has been not only growing in membership but also in popularity and anticipation- students report that Fruit Friday is something that they look forward to all month.

Showing Rebel spirit for our basketball team.

However, Fruit Friday would like to expand its efforts to become a weekly event. The club is currently raising money with a goal of \$1,000 to pay for next year's fruit. Donations in any amount would be appreciated. Checks can be written out and sent to West High School, attention Ulla Carr.

Buddies since Bearden Elementary days

Some of the members of Rick Kulman's Thursday morning Bible study group gather round. Rick was this year's Baccalaureate speaker. Besides being a graduate of West, Rick continues to support the spiritual growth and maturity of our young men.

The Baccalaureate service was held at First Baptist downtown, Sunday, May 15.
