Chilhowee School News

We've had special guests that have visited Chilhowee to see the wonderful things we are doing. We've had our KCS Micro-Team visit, PLE visitors, and our district 1 Board of Education rep visit recently.

A Message from Your Administrative Team

This 2018-2019 year, our school's focus has been improving our instructional practices in every classroom (Tier 1 instruction). Recently, we have been focusing on letting our students give academic feedback to each other (**glows**- what they did well and **grows**- what they can work on to improve). We are also making sure we are being more intentional, when we give an assignment to our students. We tell them exactly what the expectations are for their work (success criteria and learning intention). It takes a village to raise our children. Thank you for joining us and being a part of our Chilhowee village. 😊
