

# The Bearden Middle School Foundation

# PRESENTS

The BMS Foundation has debated long hours on how to safely hold our 2021 annual event.

Traditionally this has been a parents and staff only event held at The Standard, downtown. The evening has always been a joyous celebration of accomplishments surrounded by dinner, drinks and dancing. Once again, we find ourselves hesitant to host an indoor party. However, we have much to celebrate, therefore we do not want to cancel again this year.

For 2021 The BMS Foundation would like to hold a school-wide community movie event. To celebrate we would like to invite **all** parents, staff, teachers, and students to the first BMS Foundation Movie night!

Join us **Friday, May 7th at 7:30 p.m.** in the Bearden Middle School parking lot off Middlebrook Pike. Movie starts at sundown! (rain / weather alternative date is Sunday, May 9th)

We will have complimentary popcorn and water as well as food (food trucks) and soda for purchase. Students and families will have a vote as to which movie we watch. Please stay tuned for additional details and ticket information.

Stay Safe! and Save the Date!
