

Bearden Middle School Saturday Tutoring Program Registration Form
Second 9 Weeks Session / Hours 8-11am
Dates: March 28, April 2nd, April 18th, May 2nd

The staff of Bearden Middle School would like to extend an invitation for our students to take advantage of a great opportunity. Beginning on October 26th and then every other Saturday, we will be opening the building for a Math and English Language Arts tutoring program. This will provide specific help in completing missing assignments or extra instruction in the 2 subjects. We encourage both students and parents to seriously consider this if your student is struggling. The timing is designed to offer this before the 1st semester grade is permanent. **Students may attend 1 or all of the sessions as their needs may require.**
