

**L & N STEM ACADEMY  
DUAL ENROLLMENT COURSE APPLICATION  
2019-20**

\_\_\_\_\_  
Student Name

\_\_\_\_\_  
Current Grade

\_\_\_\_\_  
Email

\_\_\_\_\_  
Student Phone Number

\_\_\_\_\_  
Name of Post-Secondary Institution (PSCC, UTK, Roane State, etc.)

_____ Course & Number	_____ Campus location	_____ Fall or Spring	_____ Days of week	_____ Time
_____ Course & Number	_____ Campus location	_____ Fall or Spring	_____ Days of week	_____ Time

**Please refer to Aspen for the following information:**

\_\_\_\_\_  
Current GPA

\_\_\_\_\_  
Total Absences for 2018-19

\_\_\_\_\_  
Reading ACT score

\_\_\_\_\_  
English ACT score

\_\_\_\_\_  
Math ACT score

**Seniors must have ACT or SAT scores** **(only needed for math courses)**

\_\_\_\_\_  
PSAT - 500 minimum (juniors)

\_\_\_\_\_  
PSAT - 500 minimum (juniors)

**Evidence-based Reading and Writing** **Math**

**Student Responsibilities:**

- **Complete and submit this Dual Enrollment Course Application to your high school counselor by May 10, 2019.**
- PSCC registration opens **04/1/2019**, and by **05/10/2019** students must submit to the Guidance Office proof of registration in the college course (**a screen shot will suffice**).
- Complete a dual enrollment grant application and submit it to the college in order for the course to be paid with TN Lottery Scholarship money. This application must be submitted one time **each year**.
- Complete the college requirements for acceptance into a DE course (i.e. apply for admission to the college, request transcript release in the Guidance Office, submit immunization form, pay any campus access/book/other fees. **Note: UTK has more rigorous admissions requirements and higher costs (\$1200+) Plus, they have a different form to fill out:**  
<https://admissions.utk.edu/other/dual-enrollment/>

**Notes:**

- DE courses are not listed as Honors or AP courses on the high school transcript. However, DE courses receive the same weight *as AP courses* when calculated in the weighted GPA.
- High school courses and schedule take priority over DE requests. Students should attempt to schedule all DE courses **during 1<sup>st</sup> or 4<sup>th</sup> block** to avoid conflicting with other L & N classes - another option is to schedule DE courses before or after school.
- Seniors must schedule graduation required courses for fall semester of the senior year.

- **Withdrawal from the DE course will result in a grade of F on the high school transcript. You MUST notify your counselor immediately of this situation.**
- **All STEM students must be enrolled in 8 classes per year (counting DE courses).**
- High school progress reports will not show a DE grade *during* the semester. The DE course title and grade earned will appear on the high school transcript at the *end* of the semester.
- Students should not be on the L & N campus during the time scheduled as “dual enrollment.” Students will sign in and out through the main office when arriving or leaving school.
- The high school does not have access to DE grades while in progress. The student is considered a “college student,” and therefore the information is confidential and cannot be shared with parents or L&N staff unless the student signs the college’s release form.
- **Students must maintain at least a minimum 2.75 GPA for college coursework to remain eligible for the DE grant. Scoring a “C” or below in a DE course will prevent financial aid for additional courses at PSCC, UTK, Roane State, etc.** *Students should communicate these grades with their counselor immediately upon receiving them to plan second semester schedule.*

First time Dual Enrollment students are invited to attend a **Welcome Session**. Sessions are directed to new dual enrollment students and are the equivalent to the College's New Student Orientations for incoming freshman. The events are designed to welcome and orient dual enrollment students to Pellissippi State. Participation is optional, but registration for a session is required. First time dual enrollment students can [register for a New Dual Enrollment Student Welcome Session](#). Session participants will:

- Prepare for classes
- Explore campus resources
- Get information about the TSAC dual enrollment grant
- Find out about transferring classes to other colleges

**Pellissippi DE courses our students have taken include:**

Acting 1	Intro to Hospitality
Adobe After Effects	Intro to Humanities
American Government	Intro to Linear Algebra
Archery	Intro to Philosophy
Art History Survey	Intro to Physical Anthropology
Basketball	Intro to Political Science
Calculus 1	Intro to Programming and Logic
Calculus Based Probability and Statistics	Introduction to Art
Ceramics I	Intro to Geography
Class Piano 1	Introduction to Music
College Algebra	Introductory Statistics
College Success	Math for General Studies
Concepts of Health and Wellness (Lifetime Wellness)	Medical Terminology I
Contemporary Keyboard	Mixed Martial Arts
Critical Thinking	Modern United States History
Differential Equations	Movement for the Stage
Early Western Civilization	Mythology
Economics	Non-Calculus Physics
Engineering Fundamentals	Organic Chemistry
English Composition I	Personal Finance
English Composition II	Photography 1
Finite Mathematics	Physical Geology
First Aid Safety	Precalculus Trigonometry
First Year Seminar	Principles of Accounting
Fitness Walking	Principles of Welding
General Biology	Intro to Psychology
General Chemistry	Public Speaking
Gorilla Filmmaking	Sign Language
History of Photography	Intro to Sociology
Intro to Agricultural Business	Special Topics: Intro to Media Management
Intro to Business	Weight Training
Intro to Cinema	World Languages – Spanish, French, German, Chinese, etc.
Intro to Desktop Video & Audio	

For Pellissippi class descriptions go to the course catalog:

<http://catalog.pstcc.edu/content.php?catoid=10&navoid=608>

Core academic courses such as English, science, math and social studies require a 3.0 GPA and an 18 in English and a 19 in Reading on the ACT. Non-general ed courses such as Photography, Principles of Welding, or Basketball, etc. only require a 2.0 GPA and a 13 composite on the ACT.

Pellissippi offers many online courses as well as traditional classroom settings. You can search for courses here: [Pellissippi Course Offerings](#)
