

Application Process

Complete Application

- Application window open October 1 – February 18
- <http://transapp.knoxschools.org>

Testing for Honors

- BMA Staff will contact you to offer and schedule testing; you may decline testing if not interested in an honors placement
- Testing will occur December through February
- Results will be communicated to you within a week of completion

Transfer Lottery

- KCS transfer department will conduct the lottery at the close of the application window
- If any of the choices listed are available, students will be placed according to preference
- If none of the choices listed are available, students will be placed on a waitlist

Lottery Results

- Results will be communicated via mail sometime in April
- Possible outcomes: position accepted at BMA, position accepted at another choice, all applications declined and waitlisted
- Please contact the transfer department (594-1560) with questions about waitlist position

Next Steps

- If offered a spot: return acceptance to transfer department (bottom portion of letter) and provide school copy of letter to BMA (top portion of letter)
- If declined: you may contact the transfer department with questions about the waitlist; additional openings will be communicated from transfer department up until start of school in August
