CAMPUS/BUS RULES AND CONSEQUENCES

All students are expected to be familiar with and abide by these rules.

GRADUATION REQUIREMENTS

The link above is to the academic information section of the school counseling HVA website.

SCHOOL COUNSELING SERVICES

Click on the link above to access information about the counseling department, including contacting your counselor, and the programs and services provided by the counseling department.

LIBRARY/MEDIA SERVICES

The library is open 7:30-4:00 Monday through Friday. Online resources are available 24/7.

ATTENDANCE POLICY

Please familiarize yourself with our attendance policy so that you will know what to do if you are absent, tardy, or need to leave school early.

MAKE-UP WORK

Work can be made up when a student has been absent; however, it is up to the student to request the make-up work immediately upon returning to school. Failure to request make-up work within three (3) days of returning to school may result in the lost opportunity for credit for the missed work. It is understood that all requested work must be completed and turned in within the timeframe set forth by the classroom teacher. In cases of prolonged illness, teachers will set a reasonable time limit for completion of the work

If students are absent for at least **three days**, parents may call the front office to request make-up work. **The office and teachers must have 24 hours to gather necessary assignments.** The student is more than welcome to email his/her teacher when absent and request work. ***Make-up work should be completed before or after a regular school day, not during class time.***

FIELD TRIPS

Students going on school-sponsored field trips should turn in a [Knox County Medical Release Form](#) (preferably notarized but not required). One form will cover all field trips for the entire school year. Students are responsible for work missed when on a field trip and should make prior arrangements with their teachers.

ABSENCES FOR SPECIAL EVENTS

If you wish to miss school for a special event (wedding, educational/leadership conference, trip, etc.), parents should send a request to the principal for approval at least ten days in advance. With administrative approval, the student may request academic materials from teachers, although some work (tests, special lessons, etc.) may be impossible to make-up or plan for in advance. Requests must be avoided during final exams.

ABSENCES FOR OUT-OF-SCHOOL SUSPENSION

Students who are out of school for disciplinary suspension are permitted to make-up the work missed; however, it is the student's responsibility to initiate the make-up work as soon as he/she returns to school. If the student does not take the initiative, zeros may be assigned for work missed. A suspended student is not permitted to participate in extracurricular activities including athletic practices and competitions and is not allowed on any KCS campus or sponsored event through the duration of the suspension.

TEXTBOOKS, MATERIALS, AND FEES

TEXTBOOKS: Textbooks are assigned to students for most classes. In a few cases, it is necessary to use “class sets” of books or digital media. All textbooks issued to students must be returned or replaced at the end of the semester.

MATERIALS: Materials and equipment necessary for classes are normally provided for students. There may be some situations where it is advisable to purchase certain items in order to experience the full benefit of classroom instruction and/or activities. In these cases, a note of explanation is sent to parents.

FEES: To provide adequate supplies for specified scholastic offerings, it is necessary to charge a fee to offset costs for supplies, materials, etc. Each student is given a Fee List that gives details of these charges and procedures for collection by the staff. Fees can be paid online [here](#).

END-OF-COURSE TESTS

Exam dates for the entire school year are published well in advance so families may plan accordingly to avoid conflicts. *Our staff will not be asked by the administration to give exams early except in exceptional situations.* State EOC exams will be given in English I, English II, Algebra I, Geometry, Algebra II, US History, and Biology. These tests will count 15% of the final grade. KCS final exam results will also count as 15% of the final grade. Students will not be required to pass any one exam, but instead must achieve a passing score for the final cumulative grade.

MEDIA RELEASE

Photos or information about a student will not be released to the media without written consent. Refer to the information and signature page (Parent and Student Signature Page on green paper) that was given out on the first day of school. If these are acceptable, sign the release statement and return. It is HVA’s goal to produce a positive image of our school and our students in all forms of media.

CELL PHONES AND PERSONAL ITEMS

Students are allowed to bring cell phones, iPods, and other electronic devices to school. These items can be used during class change and during lunch. They are not to be used during class time unless directed by the teacher. If misuse occurs, the item will be confiscated and returned to a parent. The student could face disciplinary consequences as well. **It is the student’s responsibility to keep these items on his/her person at all times.** Students who bring personal items including but not limited to cell phones, electronics or large amounts of money should secure items at all times. We discourage storing these items in backpacks, purses, or lockers. Again, to keep these items secure, the student is to keep the item on his/her person. The administration and staff **are not** responsible for these items and discourage students from bringing the devices on campus. Theft generally happens when students are careless with their belongings.

DELIVERIES AND MESSAGES FOR STUDENTS

To avoid excessive announcements, interruptions, and the overloading of office personnel, only emergency messages from parents or guardians will be accepted for distribution to students during school hours. **Students will be called to the office between classes only. Outside food items, flowers, balloons, and other packages are deemed non-essential and will not be allowed. No exceptions.** If your student forgot their lunch, he or she will be able to charge a school lunch on their account.

DRIVING ON CAMPUS

Student drivers are expected to adhere to specific parking/traffic guidelines and sign a contract agreeing to do so. Violations of these guidelines will have serious consequences. Driving privileges are subject to academic progress, discipline issues, attendance/punctuality and safety to be determined by administrative staff at our discretion.

HVA is not financially responsible for vehicular damage or theft that may occur while the vehicle is on campus. However, a sheriff's officer can complete an accident report that the student can submit to the student's automobile insurer. The administration will administer appropriate disciplinary action if vehicle damage is the result of campus safety or rule violations.

PARKING

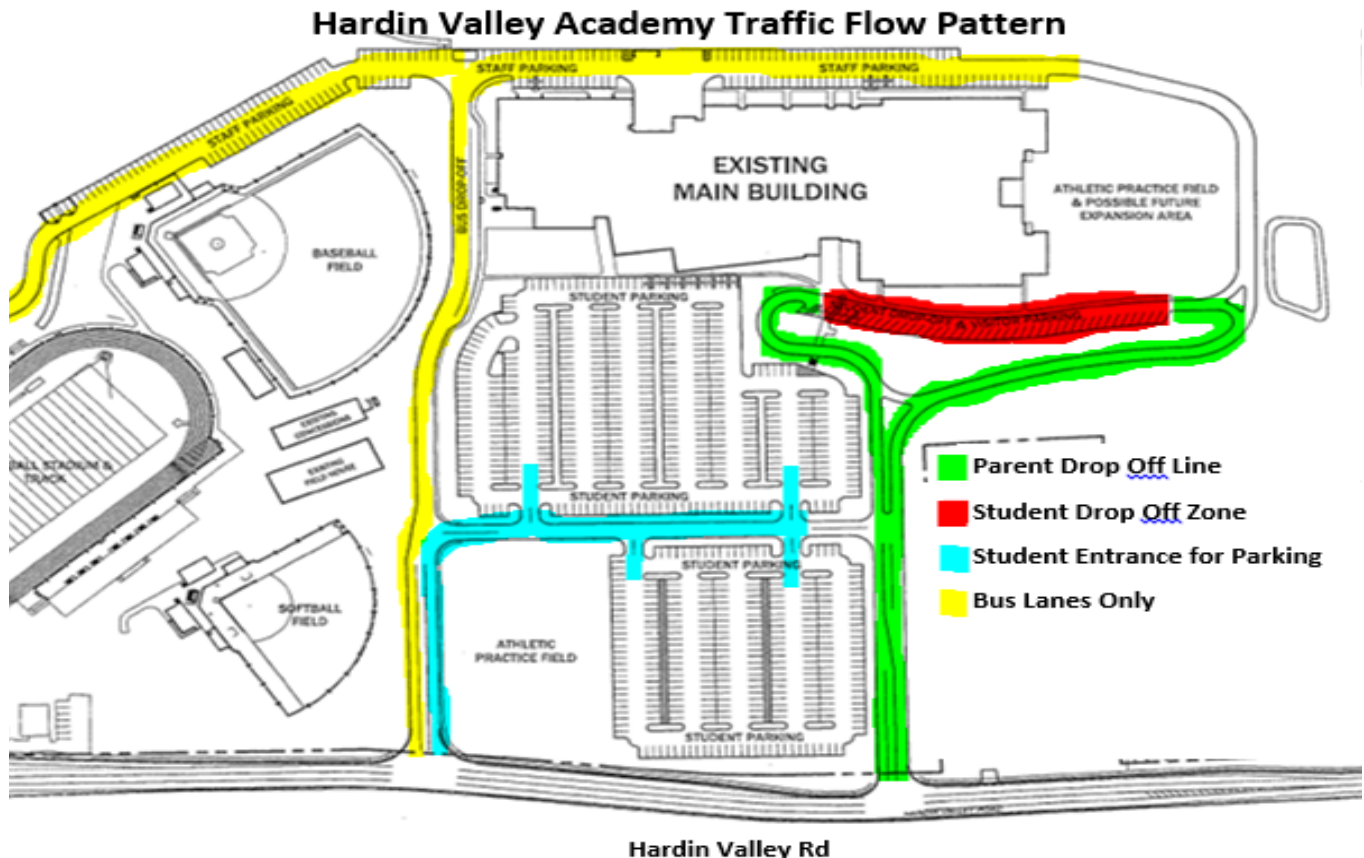

Because of the limited parking spaces available, parking permits will be sold to seniors first and then to others on a space available basis. The upper parking lot, closest to Hardin Valley Road, will be used as the band practice area until the end of football season. Parking will be permitted around the perimeter of this area until that time. The administration will sell additional parking passes when these spaces open. To purchase a parking pass click [here](#).

Parking a vehicle on school grounds entitles the principal or designee to search that vehicle upon reasonable suspicion that school policy or Knox County law has been violated.

TRAFFIC FLOW

Parents and students who drive on campus need to be familiar with campus traffic patterns, speed limits, parking areas, and other guidelines to avoid confusion and to ensure the continued safety of students.

Parents are not permitted to drop off or pick up students in the student parking lot or behind the school. All pick ups and drop offs must be made from the drive directly in front of the school.
