

Dear Parents,

The A.L. Lotts Clinic is a PTA sponsored place right here in our school that provides comfort and care for your children when they are sick or injured while at school. The clinic is 100% staffed by parent volunteers that are trained by East Tennessee Children's Hospital.

Volunteering is as simple as taking a short training class on basic first aid that East Tennessee Children's Hospital hosts and then choosing a shift at the clinic that works best for your schedule. The Clinic is open every day the school is open. Shifts are 7:45am-10:15am, 10:15am-12:45pm and 12:45pm-2:25pm.

A volunteer's duties typically include applying band-aids, providing ice packs, and giving lots of TLC to those kids that come to the clinic. It is a wonderful experience and a great opportunity to be involved at the school. If you are interested, please fill out the form below and return to your child's teacher.

Regards,

A.L. Lotts Clinic
