

Our vision is a continuously renewed effort to enable students and staff to achieve their personal best!

PRINCIPAL'S HIGHLIGHTS - FROM THE DESK OF MRS. BOSSE:

Wow! What an incredible Fall Festival! Stacy Mead and Megan Reichert and their host of volunteers did such an amazing job dreaming and working hard to provide such rich memories for our children. Everyone is still talking about the fun food trucks, the riveting entertainment, the delicious bake sale, all the attractions, the twinkly lights and the other amazing touches! Thanks to everyone who came to join in the fun!

Thanks so much for your support of our coupon book sales! We were able to give teachers \$2 per book sold in their room, which was a total of \$8,930 for classroom use. Then we had \$26,776 to spend on 117 Chromebooks for student use to enhance learning. We appreciate all you do to support education!

If your child isn't using "Ticket to Read" at home, be sure to contact his/her teacher for the log in information. This is a subscription the school purchased so students can use the program at school and at home if you want them to. The kids love it!

As Thanksgiving approaches, please know that our entire staff is very thankful for each of you and the support you give your child and our school!

Absence & Tardy Reminders

When a student returns to school following an absence, the student must bring his/her teacher a signed note stating the date(s) of the absence and explaining its reason. The teacher will then send the note to the office to be recorded. If you feel your child is not being responsible with turning in their notes then the parent may want to bring the note directly to the office as a last resort.

Notes must be provided within 5 school days following the absence in order to be classified as "excused".

If your child is late to school, please walk into the school office to sign him/her in.
