

Our vision is a continuously renewed effort to enable students and staff to achieve their personal best!

PRINCIPAL'S HIGHLIGHTS - FROM THE DESK OF MRS. BOSSE:

Fall Greetings!

I want to say a HUGE thank you for your support of our coupon book sales! Your support really matters in helping us provide the type of education we all want for our kids!

Please continue going through your child's backpack with your child to review work, tests, and to sign whatever needs to be signed. Your child should have brought home log in information for "Ticket to Read". We have purchased a site license for this so all our students can get on since it received such rave reviews in the past. It tracks your child's reading progress and moves ahead as your child is ready. Let your child's teacher know if you need the information sent home again.

Your involvement in your child's education is priceless! Don't hesitate to contact your child's teacher by note, email, or phone call whenever you have questions. It is only through partnering with you that we can be the best for your child!
