

DUAL ENROLLMENT
17-18 SCHOOL YEAR

Bearden High School

WELCOME BACK

Sarah Patton – School Counselor

11th grade, Last names A-K

Dual Enrollment Coordinator

DUAL ENROLLMENT

- Dually enrolled in Pellissippi and Bearden
- Starting this school year, all Dual Enrollment classes are weighted on a 5.0 scale
- Grades will not be posted in Aspen, only through your Pellissippi account. Grades will be posted once course is complete.
- Because this is a college class, you will have to self-advocate. Parents can't communicate with your instructor.

DUAL ENROLLMENT - NOTES

- Classes start Aug. 28 for M/W class, August 29 for T/Th class
- Any missing items needed, we'll inform you.
- Please check Aspen for room number. Classes are still being assigned.
- Must maintain a 2.75 college GPA to remain eligible for the grant
- Check with instructor regarding books needed. You can look up your section on the Pellissippi website and find your instructor.

DUAL ENROLLMENT AT BHS

- Approximately 250 students take Dual Enrollment each year at BHS
- 90% of the students earned a B or better in DE classes this year
- On and off-campus options
- Online classes are available - Spanish, Sociology, English 1010

THESE ITEMS MUST BE COMPLETE

- Bearden DE Application
 - Pellissippi Application
 - Dual Enrollment Grant Application
 - Hep B form – turn in to Guidance
-
- Must have following requirements: 3.0/ACT unweighted
 - Reading 19, English 18, PSAT – ERW - 500

HOW DO DE CLASSES TRANSFER?

- These are examples. NOTE: Please check with each college or university for the most updated information.
- Each college/university will have their own course equivalency chart.

Courses offered at Bearden	UT Knoxville	UT Chattanooga	ETSU	University of Alabama
English 1010	English 101	Comp 1	English 1010	En 101
English 1020	English 102	Comp 2	English 1020	En 102
Psych 1030	Psych 110	Psych 1010	Psych 1310	PY 101

Transfer Courses Equivalency Course List

PLEASE READ THE INFORMATION BELOW BEFORE REVIEWING THE TABLES

This transfer equivalency guide shows how courses transfer to UT from other colleges and universities. Please note that equivalencies are subject to change as course content and offerings are revised at the University. Your course evaluations are based on the equivalencies in effect when your official transcript is evaluated. (For new students, this occurs after you are admitted to the University. For returning UT students, your transcripts are evaluated upon receipt). Please review UT's complete [Transfer Credit Policy](#) in the [Undergraduate Catalog](#) for further information.

Note: If an institution or course does not appear on the list, then an official equivalency has not yet been determined. Transfer institutions and courses will be added to the list as official equivalencies are determined. Credits not acceptable for transfer are listed as VTE 000 in the UT course equivalent column. This includes courses that are remedial, occupational, technical, non-credit, or career coursework used for the Applied science degree from Career/Technical programs.

PLEASE PAY CLOSE ATTENTION TO THE TRANSFER COURSE PREFIX, NUMBER, AND TITLE AND MAKE SURE IT MATCHES THE COURSE YOU HAVE PREVIOUSLY TAKEN OR PLAN TO TAKE. (For example, BIO is different from BIOL: ENG versus ENGL; MTH verses MATH)

- **Group Codes**

	POLS 2010 State & Local Government	Spring 2012 - Present	POLS LD State & Local Government	
	PS 2020 State & Local Government		POLS LD State & Local Government
