AFTER-SCHOOL ENRICHMENT

Fall Session | October 23rd - Dec 8th | 2017

SIGN-UP INFO

- As a PTA-sponsored program, the FIS PTA will collect all funds and disburse 100% of all payments back to the teachers (this is not a PTA fundraiser).
- Confidential, need-based scholarships are available. Contact FIS Guidance Counselor, Carol Slatas at carol.slatas@knoxschools.org

Register thru Oct. 19

1. **FIRST, email the ENRICHMENT teacher to reserve your child's spot in class.** This has to be done before sending in your forms and payments.
2. Once you have confirmation from the enrichment teacher that your child has a spot, please send registration and consent forms along with your check made out to FISPTA to the PTA through your child's classroom teacher. **Classes with a materials fee will have an additional payment to the enrichment teacher for supplies.** Do not include this in your payment to the PTA.

IMPORTANT:

Critical Sign Up Information

Please be sure to email the ENRICHMENT teacher at the email address listed in the course description to reserve a spot BEFORE you send in payment. The only way to secure a spot in the class is to email the enrichment teacher. If you send in payment before doing this, **there is no guarantee that your child will have a spot in the class.** We don't want to disappoint our kids!

Please see the new registration page to acknowledge this enrichment policy.

Thank you!

Building with LEGO is one thing. But are you up for the LEGO Lab challenge from Bricks 4 Kidz?

What's the longest lego bridge you can build? What can we do to make it stronger? What's the tallest LEGO tower we can build in ten minutes? How do we build it to the ceiling if we can't reach the ceiling? Can you use Ozo Bots *with* LEGO bricks? How many LEGO gears can we get spinning with just one motor? Who is the best LEGO Robo-Jouster? Can we make art using LEGOs? Each week of Intermediate LEGO Lab with Bricks 4 Kidz will feature a different, unique challenge that will get us thinking *and* building *and* have a blast. Take-homes will include a LEGO mini-figure and a bag of "hard-to-find" gears and other cool parts for making contraptions at home.
