We strongly encourage you to watch the ads for sales during the months of July and August. Many of these items will be on sale. You might also consider buying a few extra items while they are on sale to be sent in mid-year if your child's supplies need to be refreshed. **Tax Free weekend will start July 28th. It is a good idea to stock up at this time on items that might need to be replaced mid-year (crayons, glue, etc.).**

If you cannot find some of the above items, we will work with you to make sure your student has what he or she needs to be successful in the classroom.
